B.I.A. Administration,

3/3/20

Hello my names TyneL Steward and I'm Mescalero Apache #03044. I'm having issues with corrupt government and public officials who work in our Tribal government whom need to be removed from their offices, I impeached, federally charged and prosecuted to the fullest extent of the law. Corrupt B.I.A. Law-enforcement officers whom need to be federally charged, prosecuted to the fullest extent of the law and banned from the Mescalero Apache Reservation pursuant to 18 USC 241 and 242 and our tribal codes. Enclosed with this letter are documents which have been filed in the United States District Court cause no. 18-cv-00940-RB-SCY in which I reference New Mexico state 12th Judicial District Court cause.

NEC) D-1226-CR-2018-00117; D-1226-LR-2018-00020; M-32-MR-2019-00131 and my public facebook profile [LuchsLoveborn](https://www.facebook.com/LuchsLoveborn), places I've filed evidence and notices to numerous governmental agencies as to the corruption going on down in the Lincoln/ Otero county judicial systems and law enforcement agencies. Recourse is what's being called for to which does not infringe on our sovereignty - out with the corrupt officials and in with new ones properly trained and committed to doing the right thing even when no ones looking, examples made of the corrupt officials by holding them accountable, prosecuting them to the fullest extent of the law they swore to uphold yet willfully chose to fail in their duties as law-enforcement officers government and public officials. I hereby once again invoke my victim of federal offense Rights which need to be afforded to me to prevent further retaliation against my person. A copy of this letter is to be filed in the above said cause no. for the record. I await a prompt response, call bull-shit aside and with the utmost Lawful professionalism. I hereby swear and affirm under penalty of perjury that the facts set forth in this letter are true to the best of my belief and information.

Respectfully, TyneL Steward 3/3/20
